Little Way Catholic Educational Trust

Foundational Skills Framework

Pricing Model

We want as many children as possible to feel the benefit of the work we've done while understanding that this piece of work: trialing, testing and amending, has taken a great deal of leader and specialist time which needs to be recouped for our Trust schools.

Option 1 — For individual schools and smaller settings below 110 pupils
Includes:

- Hard copy of full framework – ready to go (rationale, suggested implementation guidelines, skills grid, letters for feeder settings, letters for parents, responsibility lines and success criteria.
